Dear Dean,

The Acton Garden Club is beginning to plan ahead for our Annual Plant Sale, even in this most unspringlike weather! We are requesting permission to hold our sale on Saturday, May 17, on the Acton Center Monument Lawn. Setup will begin at 6:00am and we expect to finish with the cleanup by 3pm. We would also like to place 2 sandwich board signs on the monument lawn about 14 days prior to May 17 to advertise the sale.

Thank you in advance for your cooperation in again making the lawn available for our club to hold our Annual Plant Sale. We really appreciate the town's support of our major fund raiser.

With sincere regards,

*Stephanie Reid*

I have no objection to the event. If they need any special arrangements ask them to contact Safety Officer Bob Cowan at the police department.

Christine: I am not aware of any problems with this in the past. I would have no objection . Of course my standard comment would apply that the front of the Acton Center Fire Station must remain open at all times for emergency response purposes.
